

CORPORATE PARTNERSHIPS: HOPE TOGETHER, HOPE FOR ALL

Corporate Partnerships

Tripura Foundation invites you and your business to take one step forward to create Hope and Food For All for those in the greatest need and do something to uplift another soul.

Dr. Pillai teaches one of the **highest acts we can do is to share God's Love and bring upliftment and joy** to a person in need.

There are many benefits to partnering with Tripura, **bringing the greatest blessings to you, your business, your clients, and your employees.** We can help you attain philanthropic goals while raising your profile as a caring, socially responsible company or business.

We have launched a membership initiative, **Hope Together, Hope for All Partnerships**, aimed at your business or corporate contributors of all sizes, allowing you to make regular gifts to suit your budget.

“Service without expectation, brings great blessings to us, our families and future generations.” Dr. Pillai, Founder, Tripura Foundation

Membership Initiative

With **three tiers of membership** to choose from and an opportunity to **customize your Corporate Partnership** with us, your business can enjoy a range of benefits and opportunities while making a profound change in the lives and futures of marginalized children and serving meals to those who are hungry in India and around the world.

In addition, we will recognize your Hope Together, Hope for All corporate partnership in **social media shout-outs** and on our **website** throughout the year.
